THE COMING FESTIVAL AT CHERBOURG, FR.

The Paris correspondent of the Boston Traveler writes as follows, to the coming festivities at Cherbourg.

The papers are full of the details of the coming festival at Cherbourg and here during the month of August, and every body who has managed to do so, is making preparations for a visit to Cherbourg. It seems impossible to procure anything like a cheap place for anything less than a King's ransom per piece of land in garrets ranging from 5/20 a piece, and even at those rates they are scarce. The Railway Co. has invited a great many people to the festival.
